Defining the field attributes

Item	Length	Type	Color	Remarks
Selected product list	-	Table/List	Default	Display selected products
Product name	≤ 255	Text	Default	Read-only
Warning message	-	Label	Warning (yellow/red)	"This action cannot be undone"
Confirm button	-	Button	Danger (red)	Deletion
Cancel button	-	Button	Default	Cancel

13. Admin Login Screen

The screenshot displays the AIMS Admin login interface. At the top left is the 'AIMS Admin' logo, and at the top right are help and language icons. The main content area features a white login card with a blue shield icon and the title 'Admin Login'. Below the title is the subtitle 'Secure access portal for authorized personnel'. A red error message box states 'Incorrect email or password.' The form includes an 'Email Address *' field with the value 'admin@aims.edu.vn' and a 'Password *' field with masked characters. A red warning message below the password field reads 'Password must be at least 8 characters.' There are checkboxes for 'Remember me' and a link for 'Forgot password?'. A blue 'Login' button is positioned below the form, followed by a '← Back to Home' link. At the bottom of the card, a footer note states '@ Authorized access only. All activities are logged.'

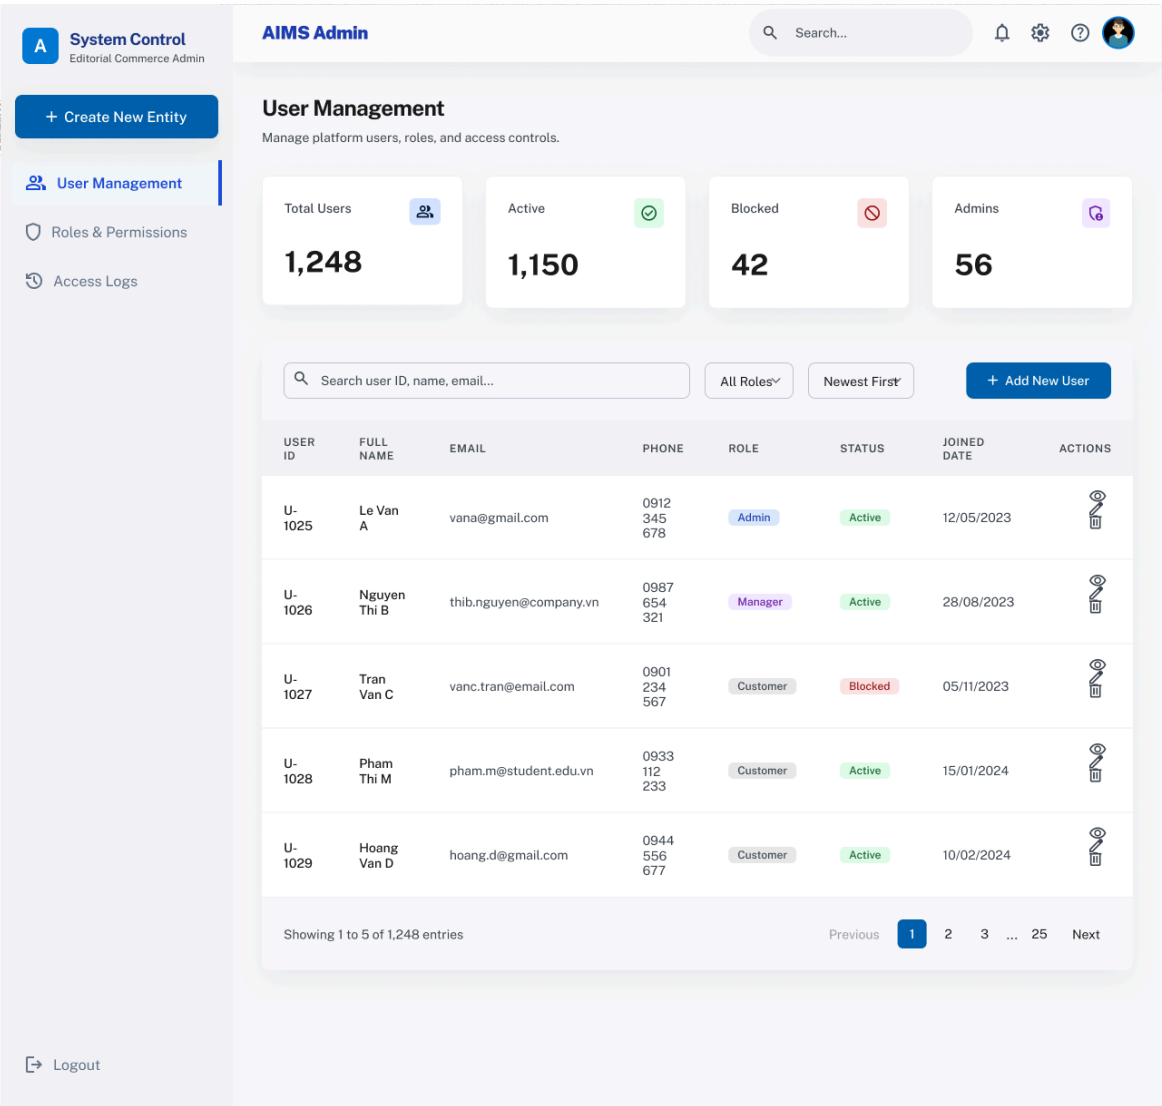

Screen Specification:

Date of creation	Approved by	Reviewed by	Person in charge
19/04/2026	Chu Tuan Linh	Chu Tuan Linh	Le Tung Lam
Control	Operation	Function	
Username / Email field	Enter	Allows admin to input login identifier.	
Password field	Enter	Allows admin to input password securely.	
Show/Hide password icon	Click	Toggles password visibility.	
Login button	Click	Sends authentication request to system.	
Reset button	Click	Clears input fields.	
Error message area	View	Displays login errors.	
Forgot password link	Click	Redirects to password recovery (if any).	

Defining the field attributes

Item	Length	Type	Color	Remarks
Username / Email	≤ 255	Text	Default / Error	Mandatory
Password	≥ 6	Password	Default / Error	Mandatory
Login button	-	Button	Primary	Submit login
Error message	-	Label	Error (red)	Display when login fail

14. Admin User's List Screen
